EXPERIENCE

12/05-Current **Core Nutrition, LLC**
President and Registered Dietitian

6/05-Current **Children's Medical Center, Dayton, OH 45404**
Clinical Dietitian and Director, The Body Shop

- Clinical nutrition assessment of inpatients on the medical floors and intensive care units. Design and implement individual nutrition care plans, including nutrition support regimens for medical floor patients and critical care patients. Evaluate medical status and efficacy of nutrition care plans; recommend adjustments as medically necessary.
- Outpatient pediatric nutrition assessment and counseling for weight management, food allergies, dyslipidemia, and congenital disorders affecting nutrition. Provide follow up care and nutrition counseling as necessary.
- Coordinates team of three additional professionals for the purpose of running The Body Shop, an 8-week weight management and behavioral modification program for children and their families. Responsible for nutrition instruction at each session. Provides appropriate referrals and follow up for each child. Communicates each child's progress with the referring physicians. Provides individual nutrition consulting as necessary.

8/04-6/05 **Brigham and Women's Hospital, Boston, MA 02115**
Dietetic Intern

- Independent clinical assessment of patients using anthropometric, biochemical, general medical, psycho-social, and dietary parameters to implement and evaluate appropriate nutritional care plans in this 720-bed teaching hospital.
- Clinical rotations included: Thoracic Surgery, Cardiology, Metabolic Support, General Medicine, Surgical, Renal, Medical Intensive Care, and Pediatrics.
- Ambulatory and community rotations included: Nutrition Consult Service, Dana Farber Cancer Institute, Head Start, Obstetrics, and Veteran Affairs.

PERSONAL INTERESTS

- Member of the Family and Children First Council of Montgomery County's initiative for battling childhood obesity.
- Avid runner, competing in local and country-wide events including half-marathon, and marathon.
- Member of the Advisory Board for University of Dayton's Didactic Program in Dietetics.
